309	GV \$499,000	<p>It's a Beauty! Built by the same owner, design, and craftsmen team of Casita 308. Casita 309 appears small from the street, but is deceptively large and very well laid out. It comes turn-key furnished for your immediate enjoyment of the ORI lifestyle. There are both front and side coach entrances and it's easy to roll in a golf cart for off-season storage. With full heating and air-conditioning, 309 adds months of seasonal living comfort. For temperate days the huge window wall opens out to views of the golf course and mountains. And, being off the fairway, it's safe from errant golf balls and golfer walk-by traffic. Perhaps the most stunning feature you notice when entering is the hand-set porcelain brick tile throughout. The transitional design channels the warmth of a cozy lodge, yet feels fully 21st century in its furnishings. You have to fully stand inside of 309 for a few minutes to appreciate how warm, inviting, and luxurious this unique design is. The heart of the casita is its cook's kitchen with premium KitchenAid appliances. There's also an additional refrigerator/freezer/ice drawer unit. Alder cabinetry is topped with a hand selected granite counter on the island and quartz counters on the kitchen and bar. Oversized porcelain panels back an extendable dining table and bench that can easily accommodate eight people. Boxed beams, a vault ceiling, and carefully considered lighting create both a sense of spaciousness and cozy evening mood. And then there's the sliding glass window wall for a panoramic view of the golf course and electric privacy shades for the evening. Adjacent to the dining area is a separate toilet and vanity room, a storage closet where you can add a compact washer and dryer, and an extraordinarily tiled walk-in shower with generous bottle niche. Casita 309 deceptively maximizes the full size of the lot and offers both privacy and exceptional views within a few steps of the resort's clubhouse. It is on the vanguard of next-generation luxury living options for ORI with extended season usability and affordable monthly expense</p>
